## 2018 MEMBERSHIP - TAX INVOICE

**We invite you to renew your membership and continue your support for the study and protection of the natural environment.**

All subscriptions are due on the first of January 2018 unless you joined the Club for the first time after 1 October 2017, in which case your fees are not due until January 2019. Please forward the appropriate remittance to our Honorary Treasurer (see bottom of the page).

Every membership address receives a copy of our newsletter "*The Naturalists' News*" monthly from February to December and our Club Journal "*The WA Naturalist*", which is published twice a year.

The Naturalists' News is currently distributed electronically. This enable us to provide more dynamic content to our readers such as images, subject hyperlinks and social media connections. Whilst we will continue to produce the paper copy of the newsletter (without images) for those who wish to receive it in the traditional form, we strongly urge you to switch to the online format. Below you can indicate your newsletter preference – email or post.

In order to keep the Club's records up to date, we request **all members** to provide full details of each member residing at your address. Please include the date of birth of each member between the **minimum age of 6 years up to 18 years old**. **And remember to provide a current email address below.** [Note: by providing your email address you are giving the Club permission to contact you via email. We will not misuse this.]

Donations to the Club are most welcome and are tax deductible.

Prof/Dr/Mr/Mrs/Ms/Miss \_\_\_\_\_
