MEMBERSHIP – APPLICATION & TAX INVOICE

All subscriptions run for 12 months from the date you join and make payment. Please forward your remittance to our Honorary Treasurer by cheque or EFT (details at bottom of form).

Every membership address receives a copy of our newsletter *The Naturalists' News* monthly from February to December and our Club Journal *The WA Naturalist*, which is published twice a year.

The Naturalists' News is currently distributed electronically. This enables us to provide more dynamic content: stunning images, subject hyperlinks and social media connections. A print-friendly version of this is available (images removed) in case you want to print it off.

In order to keep the Club's records up to date, we request **all members** to provide full details of each member residing at your address. Please include the date of birth of each member if they are between the **minimum age of 6 years up to 18 years old. And remember to provide a current email address below.** [Note: by providing your email address you are giving the Club permission to contact you via email. We will not misuse this.]
