

Coates Wildlife Tours

Specialists in Nature Tours since 1986

- **Informative naturalist guides • Small groups (6 – 12 participants) • Private charters available**
- **Fully accommodated, assisted camping, and remote camping tours**

WA Outback Expedition

15-Day Camping Tour - Departs Perth 30 September 2023 - Maximum of 6 participants

This outback expedition follows two tracks built by the 'last real Australian Explorer', Len Beadell. Journey on the Connie Sue and Anne Beadell highways, passing through remote areas along the western side of the Great Victoria Desert. Two days are spent at the Eyre Bird Observatory, a favourite amongst bird watchers due to the 240 species that have been spotted here, including Malleefowl, Blue-breasted Fairywrens, White-winged Fairywrens and White-bellied Sea-eagles. Two days are also spent on the Granite Woodlands Trail in the goldfields.

Costa Rica Wildlife Safari

17-Day Accommodated Tour – Departs San Jose 25 October 2023 - Maximum of 12 participants

Costa Rica is world-renowned for its biodiversity and exotic wildlife, from sloths and jaguars to toucans and hummingbirds. On this 17-day tour we will explore mangroves, riverways and rainforests, starting in the tropical coastal lowlands. Moving further inland, the landscape becomes more temperate with different birds, plants and other wildlife. We then visit Costa Rica's volcanic highlands and experience the country's spectacular cloud forests. With over 500,000 species of flora and fauna, this small country counts for 4% of all species on Earth.

Botswana Wildlife Safari 2024

12-Day Accommodated Tour – Departs Maun 10 March 2024 - Maximum of 14 participants

We travel to Botswana in the green season, when the rains change the brown winter landscape into a lush green wonderland. Wildlife is looking fit and healthy, and offspring born in November and December are still young and small. It will be a treat to see this new life, especially in the Kalahari and Chobe areas. Migratory bird species from Europe, Asia and other parts of Africa will be in abundance, and water birds as well as dry land birds will be present in the Okavango Delta. We end the trip with the spectacular Victoria Falls, and a cruise on the Zambezi River.

Sri Lankan Wildlife, History & Culture Tour 2024

15-Day Accommodated Tour – Departs Colombo 12 March 2024 - Maximum of 12 participants

Sri Lanka is home to wild elephant herds, leopards, sloth bears, Asiatic buffalo, numerous monkey species and beautiful birdlife. The island features diverse habitats and plant life, as well as magnificent scenery and historic fortresses, temples, and monasteries. Ancient Buddhist traditions, teaching compassion for all living creatures, have paved the way for the country's long history of conservation. Highlights include Yala National Park and whale watching off the coast of Mirissa in search of Blue Whales and Sperm Whales.
