**We invite you to renew your membership and continue your support for the study and protection of the natural environment.**

Please forward the appropriate remittance to our Honorary Treasurer (see bottom of page for options). Your membership will run for 12 month from the date it's received. Every membership address receives a copy of our newsletter *The Naturalists' News* monthly from February to December and our Club Journal *The WA Naturalist*, which is published twice a year.

Please include the date of birth of each member between the **minimum age of 6 years up to 18 years old. And remember to provide a current email address below.** [Note: by providing your email address you are giving the Club permission to contact you via email. We will not misuse this.]
